My name is Zsolt Magyar, and I am a highly experienced and skilled sound mixer with over 20 years of experience in the film industry. Throughout my career, I have had the privilege of working on more than 130 feature films, numerous short films, TV shows, and commercials.

As a member of both Local 695 and the Cinema Audio Society, I am proud to be part of such a reputable and respected community in the industry. Working on films and TV shows is my passion, and I am always eager to learn and implement the latest technology to enhance my workflow and provide the best possible results for my clients.

I am particularly proud that my production sound often eliminates the need for additional ADR, and I have received many words of appreciation from my colleagues and clients. Being recognized for my hard work and dedication to the craft is an honor.

I am excited about the opportunity to join your crew and contribute my expertise to your project. Thank you for considering my application for the sound mixer position at your esteemed production company.

Sincerely,

Zsolt Magyar

BIO

Zsolt Magyar is a Hungarian-born, Los Angeles-based Production Sound Mixer known for his dedication to

delivering exceptional sound quality in every project. His journey in the entertainment industry began in Budapest, where he initially pursued electric engineering and simultaneously nurtured his musical talents as a keyboard player and songwriter in various Hungarian bands.

Relocating to Los Angeles in 2000 to pursue his Hollywood dreams, Zsolt swiftly established himself as an expert in the field of production sound mixing. With a rich portfolio boasting over 100 feature films, as well as numerous television shows and commercials, Zsolt's technical prowess and extensive experience consistently elevate the overall production value.

In 2004, Zsolt's outstanding contributions were acknowledged with a nomination for Outstanding Achievement for Sound Mixing by the Cinema Audio Society, solidifying his position as a leading figure in the industry. Holding dual citizenship in the United States and Hungary, Zsolt brings a unique cultural perspective to his craft, enhancing his ability to collaborate seamlessly with diverse teams on different continents.

With over 20 years of industry experience, Zsolt Magyar is recognized for his dedication to delivering exceptional sound quality, often minimizing the need for additional Automated Dialogue Replacement (ADR). His membership in Local 695 and the Cinema Audio Society underscores his commitment to excellence and continuous professional development. Zsolt's passion for incorporating cutting-edge technology into his work ensures unparalleled results for his clients.
